OPEN ICE 3-on-3 TOURNAMENT RULES 2020

C4. The only face-offs will be at the start of each period. If the puck leaves the playing surface, play will commence with the team that did not cause the puck to go out being awarded possession in the neutral zone or their own end, whichever applies.

C5. There will be NO ICING called.

C6. No stick or equipment measurements will be allowed.

C7. After:

- ✓ A goal is scored OR
- ✓ The goalie freezes the puck OR
- ✓ An offside at the blue line

the referee will blow the whistle. The formerly attacking team must immediately vacate the zone & tag up at the blue line together. They CANNOT play the puck until the puck clears the blue line OR until they have all tagged-up. For contravention of this rule the offending team will be assessed a "delay of game" penalty.

C8. **MAXIMUM 7-GOAL DIFFERENTIAL** - At no time during a game will the scoreboard display more than a seven (7) goal spread. The 7-goal differential will also be used on tournament standing boards and in tournament statistics. Score sheets (game sheets) will continue to count the actual score for recording purposes only. Upon completion of the round-robin portion of the tournament, team goal-averages will be calculated using the 7-goal differential score only.

C9. **PENALTIES / PENALTY SHOTS** - For any penalty or infraction, time will NOT be served. Penalties will result in one (1) penalty shot per infraction for the opposing team. For each infraction after 5 penalties, the opposing team will receive two (2) penalty shots per penalty. All penalty shots will be taken at the end of the game.

C10. When a penalty or infraction occurs the game official (referee) will signal the timekeeper and point to the offending team's bench. All penalties will be "whistled" immediately (no delays) except in a direct scoring opportunity for the non-penalized team. The offending player must immediately go directly to his team bench. As the offending player reaches the bench he/she will be replaced with another team-mate on the ice. The puck will then be turned over to the non-offending team in their defensive or neutral zone (whichever is nearest to where play was stopped) and game play will resume.

C11. **For penalty shots:** Players will shoot in the order that they are listed on the game sheet at the end of regulation time. Teams will take all of their penalty shots consecutively. The team with fewer goals at the end of regulation time will shoot ALL of their penalty shots first - regardless of the score differential. If the score is tied at the end of regulation
